## Department Order #2

Series 2019-2020

May 13, 2020

By the authority vested in me as Department of Wisconsin Commander, Sons of Union Veterans of the Civil War, it is hereby ordered as follows:

As many in the National Organization and myself are of the opinion that voting by electronic media is a form of absentee and/or proxy voting and therefore illegal according to the Constitution and Regulations of the SUVCW, the use of electronic media venues (zoom, team, etc..) will not be allowed at the Department Encampment.

Camp Commanders may use these forms of media for their camp meetings not involving the election of officers.

Ordered this 13th day of May 2020.

Jeffrey M. Graf  
Commanding  
Department of Wisconsin
